

Who We Are

SoftDev's mission has remained the same since our founding - to improve lives through health informatics.

What distinguishes SoftDev is that we are not an IT firm that lets the technology drive the bus. We put our Data Solutions at the core of our focus. We prioritize the importance of delivering business knowledge and technology expertise as the fuel to drive our solutions forward and to solve our customer's problems. Our people, their intelligence and dedication, is our key to making meaningful change.

What We Do

- Program/Project Management
- Subject Matter Expertise
- Cloud Application Development
- Automated Software Testing
- Business Analysis
- Data Interoperability
- Data Management and Reporting
- Fraud Investigation
